

CIAO WIRELESS, INC.

Quality Policy

We are committed to continually improving the effectiveness of the Quality Management System through communication, feedback from customers and employees and through Internal Auditing and third party audits. The Quality Manual is reviewed for continued suitability through this commitment. The purpose of this Quality Manual is to implement and continually improve our ability to meet established quality objectives including all full contractual and regulatory compliance.

The quality policy is communicated to each and every employee. They are expected to understand the purpose of the quality management system and work towards our quality commitment. This Quality Assurance System reflects the corporation's total commitment to achieving the goal of meeting the needs of our customers efficiently and safely.
